***** ATTENTION *****

Mini-Grants available through Area Board 1 for up to \$10,000.00

The State Council on Developmental Disabilities has given the Area I Board \$10,000.00 for one or more Mini Grants to address unmet needs in our catchment area. This year our Board has decided that the priority is the development of consumer based positive media projects.

Think about ways that you can get the word out about people with disabilities as good employees, neighbors and community members.

Plan your project. You will need to work with a non-profit [service provider] to help you develop your grant proposal.

- Request an application packet. For an application packet, call Dawn at the Area Board Office at: (707) 463-4700.
- Submit your completed packet to the Area Board by February 14, 2010.

Grants will be awarded by March 16, 2010 and all grant project funds must be spent by June 30, 2010.

If you have questions or if you need additional information please call the Area Board at (707) 463-4700.
